**FOR IMMEDIATE RELEASE:**

## **Silent Rivers Design-Build Honored With Big50 Award**

**May 16, 2006, Des Moines, Iowa** –The team from **Silent Rivers, Inc.** has been selected by **REMODELING** magazine as a winner of the 2006 Big50 Award in the category of **Fine Design**. The Big50 awards will be presented at a gala dinner at the Remodeling Leadership Conference in Washington, D.C. on May 19, 2006. Winning companies are featured in the May issue of **REMODELING** magazine.

Each year, **REMODELING** magazine inducts 50 companies who have set the standard for professionalism and integrity through smart marketing, exemplary business practices, unique design, and extraordinary impact in their community or the industry at large. Big50 remodelers run successful, often growing, companies of various sizes that have taken the lead in raising industry standards.

“We are honored to receive this distinction,” says Chaden Halfhill, President of Silent Rivers, Inc. “The award recognizes excellence and leadership, and we are privileged to be named to this select group of national remodelers.”

**REMODELING** editors, columnists, industry leaders, and the companies themselves make the nominations each year. Following a lengthy evaluation process — which includes interviewing people at the nominated companies, and often interviewing their competitors, suppliers, and subcontractors — **REMODELING**’S editors select the 50 remodelers who exemplify the very best of the industry that year, and who have something to offer other remodelers in proven practices. Winners are selected in these categories: business savvy, fine design, industry impact, market wise, movers & shakers, niches, sales & marketing, and teamwork.

“Passionate and progressive, the team at Silent Rivers Design-Build hopes to redefine the remodeling industry in Central Iowa with each personalized project for our customers” says Chaden Halfhill, President. “We strive to exceed client expectations for excellence.”

REMODELING magazine, published by Hanley Wood, LLC, is the leading publication in the home improvement industry. Designed to address the specific concerns of residential remodeling pros, the magazine is both a business tool and an industry leader for a market that is projected to top \$290 billion in 2006.
